GRAPEFRUIT MICRO-DERM SCRUB
Chirally Correct

DECRIPTIONS:
Gritty cream.

SKIN TYPES:
All skin types except: active acne/"**SKINERCISE" TM PROGRAM**

BENEFITS:
This state of the art exfoliating cream helps skin appears smooth and radiant. Helps to maintain results longer after office treatments or use one to two times per week to create a healthy glow.

DIRECTIONS:
Apply to moistened skin. Massage the cream into the skin with upward circular movements. Rinse well with warm water.

FOCUS INGREDIENTS:
*Shea Butter/Silicone co-polymer: healing, disinfecting, protective against water evaporation.
*D-beta-fructan: Controls the skin's moisture retention.
*D-beta-glucosamine: promotes better quality collagen structure.
*Amino-guanidine: helps support healthy collagen structure.
*Coco-Caprillic/Capric Triglycerides: emollient, essential nutrients.
*Grapefruit: Anti oxidant, chiromatherapy.
*Aluminum Oxide crystals: Exfoliate.

CAUTION:
Discontinue use if irritation occurs. Do not use more than two times per week. Use as directed.

Other ingredients: none
