GLYCOLIC BODY CREAM
Chirally Correct

DESCRIPTION:

Pale yellow cream

SKIN TYPES:

All skin types, test for sensitive skin /öSKINERCISEö R program

BENEFITS:

This is a simple, yet highly effective cream for making changes in the texture and appearance of the skin. It moisturizes the surface layer of the skin and gently exfoliates it to create a smoother and more supple skin. It can help counteract discoloration and other imperfections. The key is the Glycolic Acid Polymer. This form of Glycolic is more natural to the skin. By linking Glycolic acid molecules into strands, they penetrate the skin along the lines of propagation of the skin's natural polymers-elastic and collagen. Therefore, it interacts more precisely with the skin's support structures.

FOCUS INGREDIENTS:

- *Glycolic Acid: promotes healthy Glycine production for collagen and elastin, smoothes skin
- *Albumin: tightens and strengthens skin
- *Olive Oil: stimulates collagen and elastin synthesis, anti wrinkle
- *Tocopherol (D-alpha): antioxidant heals and repairs damaged tissues
- *Aloe Vera (D-complex): healing soothing
- *Retinol Palmitate: skin renewing Vitamin A
- *Hydrolyzed Collagen: anti irritant film former keeping the moisture in the skin
- *D-beta-fructan: controls the skin's moisture retention
- *Glucosamine HCl (D): promotes better quality collagen and elastin

SUGGESTED USE:

Apply to clean skin once a day. Follow with a second moisturizer if skin feels dry. Irritation to the skin in the form of itching/stinging may be experienced in some areas. This normally subsides in the first 7-10 minutes and if too uncomfortable, removes immediately. Sun block is recommended with the use of any AHA's on the skin.

INGREDIENTS:

Aqua (Water), Glycolic Acid, Glyceryl Stearate, Cetearyl Alcohol, Polysorbate 60, Glycerin, Olea Europaea (Olive) Fruit Oil, Tocopheryl Acetate (D-alpha), Glycine Soja (Soybean) Oil, Retinyl Palmitate, Zea Mays (Corn) Oil, Glycerin, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Albumen, Hamamelis Virginiana (Witch Hazel) Water, Hydrolyzed collagen, Alcohol, Allantoin, Citrus Medica Limonum (Lemon) Peel Oil, Althaea Officinalis (Marshmallow) Root Extract, Aloe Barbadensis Leaf juice Powder, Glucosamine HCl (D), Flower Extract, Froctoolingosaccharides (D-beta), Chamomilla Recutita (Matricaria) Daucus Carota Sativa (Carrot) Root Extract, Propylparaben, Diazolidinyl Urea, Methylparaben.
