Spin Trap Make-Up Primer

Description: Frosted Gel

SKIN TYPES: Normal, dry and combination.

BENEFITS: Creates a velvety layer on the skin that provides both softening protection and a make-up gripping base. Also features antioxidants to help combat UV and environmental free radicals. The only make-up primer on the market that contributes to the appearance and health of the skin.

FOCUS INGREDIENTS:

- *Olive Oil: Antioxidant, nourishing, provides healthy essential fatty acids.
- *Marine Oligopeptides: Chains of amino acids that assist in protein/ collagen synthesis and moisture retention.
- *Spin Trap: A highly specialized antioxidant that protects tissues from free radical damage.
- * Resveratrol: a polyphenolic antioxidant with anti-carcinogenic, anti-inflammatory and vascular-strengthening properties; commonly found in red grapes and wine.

DIRECTIONS: Apply a thin layer on face after serum, moisturizer and sunblock and prior to make-up application.

INGREDIENTS: Silicone, Cyclopentasiloxane, Polydimethylsiloxane, Glycerin, citrus Paradisi (Grapefruit) Peel extract, Olea Europaea (Olive) Fruit Oil, Marine Oligopeptides, PBN (Spin Trap), Resveratrol
