## **TEA TREE SCRUB**

Chirally Correct

### **DESCRIPTION:**

Blue Scrub

### **SKIN TYPES:**

Normal to dry acne prone and rosacea / "SKINERCISE" PROGRAM

### **BENEFITS:**

Tea Tree scrub is anti bacterial, anti-inflammatory, accelerates healing of skin disorders, penetrates skin quickly, natural **preservative** antiseptic and germicidal. Totarol is a naturally occurring plant extract with potent anti bacterial and anti oxidant properties. Thoroughly purified after extraction from the Totarol (Podocarpus SP) a giant tree in New Zealand, Totarol is a potent antioxidant with antimicrobial activity. Propionibacterium acne, the bacterium involved in acne, is particularly sensitive to this extract. Totarol is effective in the treatment of acne and rosacea.

### **FOCUS INGREDIENTS:**

\*Tea Tree Oil: anti bacterial, anti-inflammatory accelerates healing of skin disorders

\*Totarol: natural occurring plant extract with potent anti bacterial and anti oxidant properties anti microbial

### **SUGGESTED USE:**

Use in a.m. to exfoliate dead skin. Apply light pressure, letting product do the work. Do not over scrub. Rinse well.

### **INGREDIENTS:**

Aqua (Water), Diatomaceous Earth, Glycerin, Caprylic / Capric Triglyceride, Behenyl Alcohol, Jojoba Esters (Beads), Dicaprylyl Ether, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Mentha Arvensis (Cornmint) Leaf Oil, Zeolite, Sucrose Stearate, Xanthan Gum, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (honeysuckle) Flower Extract, Gluconolactone, Sodium Benzoate, Denatured Alcohol, Menthol (L), Citric acid, Hamamelis Virginiana (Witch Hazel Calcium Gluconate, Sodium Stearoyl Glutamate, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Potassium Sorbate, Totarol.) Water, Phytic Acid,
