BERRY BLISS SPRITZER
Chirally Correct

DESCRIPTION:

Pale pink liquid

SKIN TYPES

Normal to Oily/Problematic Skin Types /öSKINERCISEÖR program

BENEFITS:

The Berry Bliss Spritzer is a refreshing and anti-bacterial mist. It features Limonene (D-alpha) a unique anti bacterial complex. It also contains Witch Hazel and Citric Acid for cooling, antiseptic and astringent benefits as well as additional non-oily moisturizing ingredients. The Berry Bliss Spritzer is excellent for refreshing and toning the skin. It aids in healing as well as soothing inflammation.

FOCUS INGREDIENTS:

- * Hamamelis Virginiana (Witch) Water: astringent, antiseptic
- *Glycerin: humectant, emollient
- *Citric Acid: softens skin, natural preservative
- *Allantoin: healing, anti oxidant
- *Limonene (D-alpha): anti-bacterial

SUGGESTED USE:

Spritz on face before moisturizer and through out the day to control oil and moisture. For breakouts spray cotton ball and wipe across face.

INGREDIENTS:

Aqua (Water), Hamamelis Virginiana (Witch Hazel) Water, Denatured Alcohol, Glycerin, Allantoin, Aloe Barbadensis Leaf Juice Powder, Limonene (D-Alpha), Citric Acid, Sodium Metabisulfite.
