GRAPEFRUIT BUTTER MOISTURE CREAM
Chirally Correct

DESCRIPTION:

White Cream

SKIN TYPES:

Normal to dry skin types, all skin types that have had skin resurfacing, Chemical Peel and Micro - Dermabrasion. /öSKINERCISE”R programs

BENEFITS:

Grapefruit Butter is a great daily moisturizer for dry skin or skin after salon treatments. A moisturizing Shea Butter creates a moisture barrier. This cream is non-greasy and has healing and disinfecting properties.

FOCUS INGREDIENTS:

*Butyrospermum Parki (Shea Butter): healing, disinfecting, protective against water evaporation.

*Fructooligosaccharides (D-beta): Naturally occurring carbohydrates derived from cane or beet sugar, promotes growth of healthy probiotic bacteria to strengthen skin immunity.

*Grapefruit Peel Oil: anti-oxidant, chiromatherapy

DIRECTIONS FOR USE:

Apply Grapefruit Butter to clean skin once or twice daily. Apply in gentle circular movements to the face, neck and chest area and allow to absorb.

INGREDIENTS:

Aqua (Water), Dimethicone, Caprylic/Capric Triglyceride, Coco-Caprylate/Caprates, Cetearyl Alcohol, Cetearyl Glucoside, Glycerin, Glyceryl Stearate, Squalane, Butyrospermum Parki (Shea Butter), Citrus Grandis (Grapefruit) Peel Oil, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Xanthan Gum, Hamamelis Virginiana (Witch Hazel) Water, Alcohol, Fructooligosaccharides (D-beta), Alcohol Denatured, Citric acid, Phytic acid, Lithium Magnesium Sodium Silicate, Potassium Sorbate.
