**ANTI AGE SERUM**

**Chirally Correct**

**DESCRIPTION:**

Clear slightly yellow fluid

**SKIN TYPES:**

All skin types/“SKINERCISE”™ Program

**BENEFITS:**

**ANTI AGE SERUM** is a highly fortified firming serum with a therapeutic strength complex of anti oxidants for skin and cell strengthening. The biopeptides provide this instant firming and also provide longer-term nutritive water retentive and wrinkle reducing benefits. The main focus of this serum however, lies in the long-term benefits accrued by feeding in the chirally correct counter-oxidant and cell-protective ingredients.

**FOCUS INGREDIENTS:**

\*Ubiquinone-CoQ10: Powerful antioxidant helps prevent free radical damage.

\*Sodium Hyaluronate (L): Hyaluronic acid - Humectant

\*Thioctic (R-lipoic) Acid-Involved in cellular energy production, antioxidant that is water and fat soluble so it can travel anywhere, anti-inflammatory, assists detoxification.

\*Malus Domestica (Apple) Fruit Cell culture extract: Apple stem cells stimulate and protect human stem cells while reducing wrinkle depth and promoting regeneration of skin.

**SUGGESTED USE:**

Apply each AM after cleansing before layering on other products. Helps to protect the skin from environmental damage

**INGREDIENTS:**

Aqua (Water), Glycerin, Ubiquinone (CoQ10), Thioctic (R-lipoic) Acid, Malus Domestica (Apple) Fruit Cell Culture Extract, Acetyl Cysteine, Sodium Hyaluronate (L), Xanthan Gum, Gluconolactone, Citrus Grandis (Pink Grapefruit) Peel Oil, Citrus Aurantium Dulcis (Orange) Peel Oil, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Rubus Idaeus (Raspberry) Leaf Wax, Citrus Grandis (Pink Grapefruit) Peel Oil, Calophyllum Inophyllum (Tamanol) seed oil, Polyglyceryl-4 Caprate, Alcohol Denat, Caprylic/Capric Triglyceride, Lonicera Hamamelis Virginiana (Witch Hazel) Water, Alcohol, Citric Acid, Lecithin, Phenoxyethanol, Potassium Sorbate, Polysorbate 20, Sodium Benzoate
