EGF CREAM

Almond

Chirally Correct

DESCRIPTION:

Light tan colored cream. Almond scent

SKIN TYPES:

All skin types. This is a light, non-comedogenic cream /"SKINERCISE" R program

BENEFITS:

As skin ages, the communication between the various layers of skin is hindered because of a critical decrease in the number of growth-factor receptors. Therefore, EGF (epidermal growth factor) is the single most important substance for development and maintenance of both the epidermis and dermis. It is a protein that works to heal and repair the stratum corneum by directly stimulating proliferation of growth factor receptors. The EGF has two other bonuses in that it helps mop up free radicals, and also has anti-inflammatory benefits. All of the above show why EGF is particularly beneficial to skin that is going through peeling treatments. It helps replace what the peels remove. Using this product in conjunction with peeling makes it much less stressful to the skin by providing fuel for the renewal process. Body builders incorporate protein powders to build muscle quicker and more efficiently. Think of EGF cream as the skin's version of protein powder to renew more effectively.

FOCUS INGREDIENTS:

- *rh-Oligopeptide-1 (EGF): healing, repairs, and stimulates cell growth
- *Aloe Barbadensis Leaf Juice Powder: refreshing, healing, humectant, emollient
- *Cucurbita Pepo (Pumpkin) seed Oil: natural healing and repairs from Vitamins A, E and beta-carotene
- *Retinol Palmitate: skin renewing Vitamin A
- *Prunus Amygdalus Dulcis (Sweet Almond) Oil: softens and moisturizes the skin
- *EGCG: from Green tea anti oxidants and with anti tumor power
- *Niacinamide: Vitamin B3 not synthesized by the human body, must be applied topically

SUGGESTED USE: EGF Cream is well tolerated by all skin types. It should be worn at night on top of Glycolic,

Ingredients: Aqua (Water), Glycerin, Caprylic / Capric Triglyceride, Niacinamide, Plant Based Stearic Acid, Glyceryl Stearate, Cetearyl Alcohol, Glycyrrhiza Glabra (Licorice) Rhizome/Root Extract, Alcohol, Butyrospermum Parkii (Shea Butter), Lonicera Caprifolium (Honeysuckle) Flower extract, Lonicera Japonica (Honeysuckle) Flower Extract, Olea Europaea (Olive) Fruit Oil, rh-Oligopeptide-1 (EGF), Prunus Amygdalus Dulcis (Sweet Almond) Oil, Bisabolol (L-Alpha), Camellia Sinensis (Green Tea) Leaf Extract, Cucurbita Pepo (Pumpkin) Seed Oil, Retinyl Palmitate, Zea Mays (Corn) Oil, Tocotrienols, Elaeis Guineensis (Palm) Oil, Tocopherol (D-alpha), Alcohol Denatured, Potassium Sorbate, Peumus Boldus Leaf Extract, Aloe Barbadensis Leaf Juice Powder, Allantoin, Solanum Lycopersicum (Tomato) Fruit Lipids, Epigallocatechin Gallate (EGCG), Phenyl-N-Butyl Nitron (Spin Trap), Citric Acid Powder, Sodium Hydroxide Phytic Acid, Carbomer, Lysine HCl (L), Potassium Sorbate.
