C-REPAIR SERUM  
W/ MATRIXYL 3000 TM  
Chirally Correct

**DESCRIPTION:**

Clear Gel

**SKIN TYPES:**

All skin types / öSKINERCISEöR program  
Aging, mature, sun & environmental damage

**BENEFITS:**

A potent combination of ascorbic acid, Matrixyl TM 3000 and Apple stem cells for complete anti-aging care. The Ascorbic Acid and Apple stem cells stimulate skin at a cellular level to help repair, strengthen and improve tissue. Matrixyl TM 3000 firms skin to create a smoother, more youthful appearance. By tending to both the skin's surface and cellular needs, C-Repair serum provides a superior approach to the problems of aging skin.

**FOCUS INGREDIENTS:**

- **L-ascorbic Acid:** Antioxidant, collagen stimulating / strengthening, brightening, reparative.
- **Palmitoyl Tetrapeptide-7 (Matrixyl TM 3000):** A firming and de-wrinkling peptide complex
- **Apple fruit Extracts & Glycine Soja:** Natural MMP inhibitors
- **Malus Domestica (Apple) Fruit Cell Culture Extract:** Phospholipids: Apple stem cell stimulates and protects human stem cells while reducing wrinkle depth and promoting regeneration of skin.
- **Palmitoyl Oligopeptide:** Is a derivative of the pro-collagen 1 pentapeptide. Known as KTTKS a collagen fragment affecting fibroblast activity.

**SUGGESTED USE:**

Uses in AM on top of Anti-Age serum, then apply moisturizer, eye cream and sun block.

**INGREDIENTS:**

Aqua (Water), Ascorbic Acid (L), Glycerin, Hamamelis Virginiana (Witch Hazel) Water, Butylene Glycol, Sorbitol, Alcohol, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Polysorbate 20, Carbomer, Malus Domestica (Apple) Fruit Cell Culture Extract, Aurantium Dulcis (Orange) Peel Oil, Aromaphyte of Apple GL, Xanthan Gum, Phytic Acid, Citrus Glucose(D), Lecithin, Chondrus Crispus (Carrageenan), Potassium Sorbate
