CRANBERRY SPIN TRAP MOISTURE MASQUE

Chirally Correct

DESCRIPTION:

Pink colored soft mask

SKIN TYPES:

All skin types. Excellent after resurfacing treatments. öSKINERCISEör program

BENEFITS:

The key to this masque is the combination of soothing, calming ingredients, and the very special free-radical fighter spin trap. What is a spin trap? It is an intelligent antioxidant. In fact, it is the only intelligent antioxidant utilized in skin care today. It stands far and above all other antioxidants and free-radical scavengers by distinguishing between the good oxygen and the bad oxygen, between the good free radicals and the bad free radicals. It defines the good oxygen, protects it, and keeps it from going bad. It identifies the bad oxygen (reactive oxygen species), and makes it good again by putting it back on the proper path.

FOCUS INGREDIENTS:

- * Spin Trap: See above
- * Minerals: calamine and titanium dioxide to soothe and calm the skin
- * D-alpha-tocopherol: additional antioxidant

SUGGESTED USE:

This mask can be utilized with all facial protocols. It is particularly excellent after peels, Micro-Dermabrasion and other resurfacing treatments. It works well in acne treatments or post extractions. It calms the skin while infusing with the anti-aging benefits if the Spin Trap free radical fighter.

INGREDIENTS:

Aqua (Water), Glycerin, Caprylic/Capric Triglyceride, Albumen, Kaolin, Cetyl Alcohol, Glycol Distearate, Titanium Dioxide, Phenyl t-Butylnitron (Spin Trap), Caprylyl Glycol, Allantoin, Tocopheryl Acetate (D-alpha), Glycine Soja (Soybean) Oil, Sodium Hydroxide, Carbomer, Trisodium Ethylenediamine Disuccinate, Alcohol, Passiflora Incarnata (Passionflower) Flower Extract, Phenyl t-Butylnitron (spin trap), Potassium Sorbate
